Dear Loreen,

grade ≥ 12

For your list of 'What do we know/have we learned' I suggest to add:

- We can manage WSA's knowledge (interactive poster)
- We can communicate our science to external stakeholders (e.g., publications, web communication, communication plans, dialog)
- We are establishing and implementing processes to assess PREPs (poster)

I look forward to a good discussion on Aug. 4.

Regards,
Roger

- for RD+E and Red. harm (design, assess.)
- ① critique reviews : staff panel
 - ② " discussion
 - ③ sharing

Posters: only materials already available

Platt. seminars: presentations, 15-20 min

Team: Robbie: - establish team
